1. In what ways have you been involved in your home church since your last report?
2. How have you participated in Association and/or Conference events? If you have not participated thus far, what do you anticipate being part of in the next six months?
3. How have you participated in other congregational or ministry settings beyond your home church?
4. Do you have any request(s) of the Church and Ministry Committee? If so, what?

***Choose two of the five questions below. Elaborate on them in writing on a separate sheet. Be prepared to address the other three during your meeting with the Church & Ministry Committee.***

5. Describe your most significant seminary class. Reflect theologically on how this class encouraged and challenged your growth and development as a candidate for pastor and teacher in the United Church of Christ.
6. Share an experience in a ministry setting which has contributed to your growth and development as a candidate for pastor and teacher.
7. How have you grown spiritually in recent months?
8. What books have you read recently that you would recommend to clergy and/or laity in Covenant Association? Why?
9. Personal qualities lifted up in *The Manual on Ministry* for In Care students include: integrity, empathy, capacity for growth, sense of responsibility, adaptability. Choose one of these and describe how that quality has recently challenged your life and faith.

**Please complete and return sixty days before the Church and Ministry interview each year that you are in care to:**
